How ECHOS Helps Houston Families Stabilize

Healthcare Enrollment • SNAP Benefits Assistance • Housing Stability Navigation
Food Access through H-E-B Gift Cards • Personalized Case Management

Behind Every Number is a Story

A pregnant mother living in her car came to ECHOS seeking help. Through housing support and benefits enrollment, she secured safe shelter and prenatal care, beginning a new chapter of stability for herself and her newborn son.

Serving families across Greater Houston since 2001.

Our mission is to provide access to health and social service resources that can improve their lives.
