Path to Self-Sufficiency

Financial assistance opens the door; case management helps families keep moving forward.

1**Stabilize**

Pay urgent rent, utility, food, and crisis needs

2**Plan**

Set goals and address barriers

3**Connect**

Link families to resources and supports

4**Follow up**

Confirm housing stability after assistance

Bottom Line

Housing stability is not just rent. Food support, utilities, household items, flexible assistance, and case management all help families stay housed, stabilize after crisis, and move toward self-sufficiency.
